

Food Items for Donation

Food and non-alcoholic drinks are accepted for donation. Some items that are recently expired are acceptable but non-expired items are preferred. This list suggests nutritious items, culturally appropriate foods for our clients, the majority of whom were born in other nations, including but not limited to Burma, Bosnia, Democratic Republic of Congo, Mexico, Honduras, and El Salvador.

While canned and boxed goods are the most commonly donated, we also appreciate donations of fresh items - produce, refrigerated and frozen items.

Donations of fresh and frozen items can be made in our office. Canned or dry goods can also be left in one of the following collection bins.

You can call **(515) 257-8550** or email **director@clivecommunityservices.com** to arrange a large drop-off or pickup.
